Tendered Amount:

\$1,000,000,000

(One Billion USD)

SECTION I: BOND DECLARATION

This Private Registered Investment Bond is hereby issued by the undersigned Executor, acting in fiduciary and lawful capacity over the WILLIAM RAYEH WATLEY TRUST, for the purpose of reclaiming, collateralizing, and settling estatederived obligations and securities that originated from the constructive trust (Cestui Que Vie) created via the State of Michigan Certificate of Live Birth 121-0068702 issued in or about August 9th, 1976, by the State of Michigan Department of Health and Human Service. The face value of this bond is hereby declared and underwritten by the private estate and trust corpus, secured against the living principal's sovereign interest, land estate, birthright, energy, and allodial standing.

SECTION II: VALUE AND TERMS

- Face Value: \$1,000,000,000.00 USD (One Billion Dollars)
- Asset Backing: Gold-backed estate assets secured in equity under trust indenture
- Issuer Type: Private Ecclesiastical Foreign Trust (Moroccan Law of Nations)
- Yield: 5% annually, compounded
- Duration: 99 years (Perpetual Trust Maturity unless dissolved or replaced by instrument of equal or greater value)
- Interest Disbursement: Payable annually to the WILLIAM RAYEH WATLEY TRUST and reported via IRS Form 1099-OID and IRS Form 1041 Schedule B
- Security Basis: State of Michigan Issued Certificate of Live Birth No. 121-0068702, all equity and interest arising from associated trust securities and land assets

Note: The WILLIAM RAYEH WATLEY TRUST EIN# 82-6633903, hereby tenders the non-negotiable Bonded Credit Instrument herein to indemnify the Trust/Estate against all liabilities, rather accrued, incurred or presumed, & for authorized investment purposes with the United States Treasury, Social Security Administration, IRS, and any Corporate/Commercial Entity, Agency, Departmentalism, or Instrumentality within the United States. Not to be include in games of speculation. Said recipient agencies shall strategically invest credits and return a yield of minimum 5% annually as a fiduciary return to the Trust. This constitutes a credit lease, not a gift, and failure to disburse said yield shall constitute a withholding of trust income, enforceable via trust tax filings and trust ledger recoupment procedures.

SECTION III: PERFORMANCE AND PRESENTMENT

This bond is deposited in good faith, in full commercial capacity and trust authority, to the following entities for the purposes of:

- Settlement of fiduciary obligations
- Triggering performance return obligations
- Establishing estate control and creditor status
- Indemnifying the Trust Estate from all forms of commercial liability.

Recipients (Examples):

- United States Department of the Treasury
- Internal Revenue Service (Ogden, UT / Kansas City, MO)
- Social Security Administration (SSA)
- Wayne County Circuit Court (Clerk)
- State of Michigan Department of Treasury

SECTION IV: BOND ORDER

- Gold-Backed Registered in Private Trust Ledger
- Non-negotiable and not for sale or trade on public markets
- Issued under ecclesiastical and private commercial law
- Enforced under the Treaty of Peace and Friendship (1786/1836), Vienna Convention, and private international trust standards
- Supported by Affidavit of Estate Title, IRS Form 56 (Fiduciary), Form 2848 (POA), and corresponding trust filings

This bond shall be considered honored and binding if not rebutted or returned within 30 days of receipt, as evidenced by green card return or USPS tracking. Failure to rebut or return constitutes full acceptance and performance liability under UCC, common law, and international treaty.
